

# THE LEAD STATION

---

As a business who thrives on serving the local community, we wish to ensure that we can keep all of our customers safe.

Following the move to plan B restrictions from 10<sup>th</sup> December, we will be implementing several changes throughout our restaurant.

Any changes implemented will be done with great care to continue to look after our customers and consider everyone's safety.

We are still committed to the following measures:

## **Table Service Will Remain**

We are still offering table service only in all of our dining spaces (including the bar area), so if you need anything, please let a staff member know.

## **Let's Keep a Safe Distance**

As restrictions are under review, please still consider the space of others when moving around the restaurant.

## **Hand Sanitising**

We have hand sanitiser available throughout the venue for staff and customers to sanitise their hands, including a sanitising station on arrival.

## **Enhanced Cleaning Measures**

We will continue to provide an increased cleaning efforts to ensure the venue is as safe as possible for all people who enter, with regular venues checks will be carried out to include frequent touch points and bathroom facilities.

## **Face Coverings**

As the restrictions around face coverings are changing, wearing a face covering will continue to be of personal preference for customers attending the restaurant. For staff, we are encouraging all staff to wear a mask, however it is at their individual discretion. We will monitor any changes brought in and will action immediately.

## **COVID Lateral Flow Testing**

We implemented mandatory daily lateral flow testing for all our staff members when we returned to work back in May, with all staff required to report their negative test results to management before entering the premises. This will continue.

## **Vaccinations**

As a business, we are strongly encouraging all of our staff members to be vaccinated against Coronavirus.

As always, please do not attend the restaurant if you have any COVID symptoms. If you are asked to self-isolate and this results in a requirement to cancel your booking, please call the restaurant on 0161 881 5559.
