

THE COPPER ROOM

ABOUT

The Copper Room at The Lead Station is an intimate and stylish bar and function room available for private use for any occasion. Suitable for all events, whether a decadent private party or gathering of friends and family, The Copper Room is the perfect space.

We offer a range of catering packages and can provide bespoke catering to suit individual needs and tastes on request. With a fully stocked cocktail bar, TV and sound system, The Copper Room is a discreet, stylish home from home in which to meet, host, entertain, relax and/or party.

FYI:

The Copper Room is so called as a continuation of The Lead Station and was born out of the combination of three ideas. Firstly that copper, like lead, is a metal; secondly, that the building itself was originally the Chorlton Police Station (police > coppers > copper); finally and most pertinently, from the colours and materials used in the room.

CAPACITY

The room holds up to fifty people comfortably; however, depending on the nature of your event and whether you are eating we recommend a smaller number may be a more suitable maximum.

We only accept birthday parties over the age of twenty one, for children's birthdays we have a separate back terrace that can be hired. This is a great space where kids can play securely and you can mingle with friends, this area is suitable for up to twenty five guests.

Please speak to a manager about hiring this area.

BAR

The bar is fully stocked including three draught beers and we have a fabulous cocktail menu to suit every occasion. We are licensed until midnight – last orders will be called at 11:45pm (Sunday – Thursday we are licensed until 11pm).

We run a challenge twenty one scheme and staff will ask anyone they believe to be under twenty one for I.D, please note that you cannot bring your own alcohol to any event.

Please note:

The bar can accept card and cash payments. The event organiser can run a tab but other guests should come prepared to pay as they go.

BOOKING COST

To secure the room we require payment of £100.

This charge is non-refundable and is payable in advance to secure your booking.

We ask for a minimum spend of £400 for lunch time and mid-week bookings, Friday and Saturday evening events require a minimum spend of £600

MUSIC & MEDIA

The room is equipped with a full sound system that you can plug any device into to play your choice of music through the speakers into the room. We also have an input for decks should you wish to have a DJ (we do not provide equipment).

We are in a residential area with neighbours so all windows must be closed by 10pm to eliminate any external noise (the space is fully air conditioned for your comfort).

The TV in the room can be used during any private party and there is an input to plug in your choice of device.
