DRINKS AT 99 BEECH ROAD

Moving with the times
- Winter 2019 -

The sandstone façade of 99 Beech Road has stood proudly at the heart of the Chorlton community since 1885 and been a local institution ever since.

Initially a police station, then council offices, The Lead Station opened in 1995 and has served the local community and beyond for 24 years.

But great institutions move with the times and as such, we continuously search for exciting new products to evolve our offering and our draught beer range is just one example of this.

Northern Whisper Beers are brewed 20 miles from our door, by a small and new, yet brilliant brewery, in Rossendale - we think it is pretty great.

We are now rotating our cask ale, so you will get a chance to try their whole range.

And so refreshed rather than revolutionised, our list should look familiar, with all your old favourites, and a few new ones too.

Enjoy your drink.
